

Smoked Salmon

Harvested in Norway and Chile
Delicate Smoked Flavour
Rich, Buttery Taste

Smoked Salmon

Cured and cold smoked in an artisanal method, our smoked salmon provides a rich, buttery taste. Harvested in Norway and Chile, this high quality smoked salmon is versatile in plate applications, such as appetizers, pasta dishes, sandwiches, party platters and more. The salmon is cold smoked and dry salted. The cold smoking strengthens the flavour and the dry curing enhances the bite and reduces the water content. This results in a firmer texture and delicate smoke flavour.
