

TOPPITS®

QUALITY SINCE 1899

FOODSERVICE PRODUCT LIST

OUR VISION:

To simplify seafood to inspire every chef

A NEW EVOLUTION

Originating as a supplier of dry goods in South Africa in 1899, food has been **our passion for more than a century**. In 1976, Toppits was established in Canada as an importer and supplier of frozen foods to the Canadian foodservice, retail and manufacturing industries, specializing in fish and seafood.

In 2016, an acquisition marked an evolution for Toppits. We moved closer to the source through vertical integration, and enhanced our ability to successfully execute our vision. In 2022, we opened a state of the art manufacturing facility with a core focus on producing high quality battered and breaded finfish and shellfish products.

Maintaining this vision into the future requires managing our sources responsibly and **Toppits takes great pride** in providing a wide variety of **sustainable seafood** options. Our dynamic Quality Assurance team has made Toppits an industry leader on traceability of product **“from catch to customer”**.

Toppits is committed to focusing on quality and innovation as we continue to grow and advance.

7

Did you know? Ocean Wise is now the name of a global conservation organization based out of the Vancouver Aquarium, which connects ocean ambassadors around the world through its storytelling, scientific research, and conservation and education programs.

Look for the MSC symbol next to many of our products. MSC label is a trusted and recognized indicator of seafood sustainability.
